## LANTANA DRIVER LICENSE OFFICE TO CLOSE FRIDAY

*~ Office will reopen next month under the Palm Beach County Tax Collector ~*

**LANTANA, Fla.** - The Florida Department of Highway Safety and Motor Vehicles announces upcoming changes to your local driver license office. As part of the transition of driver license services from the state to county tax collectors, the state-operated driver license office, located at 1299 West Lantana Road in Lantana, will close its doors on Jan. 7 at 5 p.m. On Feb. 22, the office will reopen under the auspices of Palm Beach County Tax Collector Anne Gannon and will, once again, offer driver license services. Beginning Jan. 10 and during the transition period, DHSMV's Florida Licensing On Wheels (*FLOWmobile*) will set up outside of the office to offer driving tests and to issue licenses to those who pass the test.

The Department will continue to serve motorists at three driver license offices in Palm Beach County. The state-operated offices listed below offer renewals, replacements and reinstatements, as well as written and driving exams. The state's Bureau of Administrative Reviews will continue to operate out of the Lantana office. The driver license information number is (561) 681-6333.

- 571 N. Military Trail, West Palm Beach
- 3185 PGA Boulevard, Palm Beach Gardens
- 10164 W. Indiantown Road/B-10, Jupiter

"The Department is working closely with Palm Beach County Tax Collector Anne Gannon to ensure motorists receive the best possible service at numerous locations throughout the county," said Division of Driver Licenses Director Sandra Lambert. "DHSMV appreciates the partnership we share with the tax collector and her staff, and together we are making every effort to make the transition as smooth as possible for our customers."

The Department encourages customers to skip the trip and conduct their driver license business online, where various services are available. Customers can renew driver licenses, identification cards and vehicle tags, and change an address on their license or identification card from the comfort of their own home or at work by logging on to [www.flhsmv.gov](http://www.flhsmv.gov).

Florida now requires additional documents to obtain a new or renewed driver license or identification card. Prepare for your next visit by bringing documents to show proof of 1) identification, 2) Social Security number and 3) residential address (two items). Customers who have legally changed their names must bring additional documentation. To find out exactly what you need to bring with you, visit [www.GatherGoGet.com](http://www.GatherGoGet.com).

The Florida Department of Highway Safety and Motor Vehicles provides highway safety and security through excellence in service, education and enforcement. The Department is leading the way to a safer Florida through the efficient and professional execution of its core mission: the issuance of driver licenses, vehicle tags and titles and operation of the Florida Highway Patrol.
